ABOUT PRISM SCHOOL OF EDUCATION

Prism School of Education, Mahkakhurd Utai was established in the Year 2013 with 100 Seats, which is "Recognized by NCTE New Delhi" and affiliated to Hemchand Yadav University Durg (C.G.). college runs under the aegis of Saroj Gopal Educational Society. The College is situated in the heart of Village Mahkakhurd Utai, accredited by NAAC with B+ grade. The College Provides an ideal Environment to the Aspiring teachers for training of minds and souls. The College Cradles a genuine concern for the Pursuit of human inquiry and preparation of Students teachers in an environment Conducive to teacher education Programme. Apart from academic excellence, our students participate in other co-curricular and social activities. College also runs graduation courses like BA, B.Sc., B.Com & PGDCA from 2020 which is affiliated to Hemchand Yadav Vishwavidyalaya, Durg and recognized by the Chhattisgarh Government. Our mission is to transform students into Law-abiding citizens, rational thinkers and spiritually enlightened individual. College focuses on quality and global perception towards education. This is a progressive step towards third National Seminar of Prism which will bring opportunity to explore new things jointly.

ABOUT THE NATIONAL SEMINAR ON QUALITY ENCHANCEMENT IN HIGHER EDUCATIONAL INSTITUTIONS:- “A NAAC PERSPECTIVE”

About the National Seminar ‘Manthan’ on Quality Enhancement in Higher Educational Institutions: - “A NAAC Perspective”.

Quality Enhancement in Higher Education in India needs overhauling of the whole system. Though India has one of the largest higher education systems in the world.

Quality enhancement is a process of improvement - It has two strands, first, it is the enhancement of individual learners improvement of his attributes, knowledge, ability, skills, capacity and thereby his potential.

Second, it is improvement in the quality of the program of study or institution.

The present system of Higher education suffers from the lack of high quality research in the India.

Only few are observed to do research work in Higher Education.

India has been lacking in attaining a high global position in academic excellence we can attain a level of excellence like that of the other advanced countries.

We can enhance the qualities in our higher educational system by innovating methods and approaches in higher education .This can be achieved by using new technology is to enrich teaching and learning and improve the student’s experience.

Technology is transforming all sections of the society. NEP (2020) status the quality enhancement and sustaining is the need of the hour, this enhances the role of NAAC and other regulatory agencies tremendously.

National Educational Policy (NEP) 2020 marks welcome milestones in the realm of teacher education in India, by offering a four-year integrated Teacher Education Programme (HEP) - a comprehensive initiated aimed at streamlining process of teacher education by integrating it with undergraduate studies

With the aim of such transformation in Higher Education Manthan will serve as a platform for teachers, students, Teacher Educators, Research Scholars, Administrators, and Policy Makers to come together and enhance ideas, experiences.

National Seminar Manthan Topic -Quality Enhancement in Higher Educational Institutions: - “A NAAC Perspective” is enrich with five Basic Themes.

Theme- ‘5’ New Technologies in School Education System “is for school education system.

The participants will accrue the knowledge of Artificial Intelligence and its application.

By attending the National Seminar on “New Technologies in School Education System” participants will accrue the knowledge of Artificial Intelligence and its application.

BACKGROUND OF THE THEMES

The “Viksit Bharat” vision is a complete plan that includes social, cultural and technological aspects of growth, rather than just an economic goal. Higher Education Institutions (HEI's) in India are pivotal in this context acting as incubators of knowledge, innovation, and skilled human capital.

The education system in India is undergoing a significant transformation to prepare for the future particularly with an eye on the goal set for 2047. Today as we stand on the threshold of a new era, every individual, every institution and every organization must heed the call to contribute to the realization of a developed India.

National Seminar Topic - “Quality Enhancement in Higher Educational Institutions: - A NAAC Perspective” consists of 5 themes including sub-themes which focus on a future-ready education system. With such a vision -

Theme 1 New Direction in Higher Education will deal with new grading (Binary System) for NAAC, Role of NIRF to promote healthy competition and transparency among institutions.

Theme 2 is based on Research and Development program in Higher Educational Institute. Enriching the academicians and scholars to think critically regarding new ways and approaches of Research and use of AI in Research.

Theme 3 Diversity and Inclusion in Higher Education is divided into 5 sub-themes which is very important in today's world to enhance innovation and problem-solving process among the students. To know the educational policies and diversities in learning areas.

Theme 4 Integrated Teacher Education Programme (ITEP) Pathways to teaching is splitted in 5 areas .A comprehensive initiative of govt. programme will be deal to know about the ITEP its possibilities and challenges.

Theme 5 is basically related to New Technologies in schools its use and implementation. Use of AI and Machine Learning in school education system. Benefits and disadvantages.
