Process for PARTICIPATION OF COMPANIES

The process for participation of companies in the placement process will be as follows;

Step 1:

Online registration via google form (Giving details of the job profile, educational qualification required, Salary details, any other relevant details).

Step 2:

Students registration information (No of students, qualification wise / district wise segregation/discipline wise) will be shared with the companies, so that they can plan their hiring requirements.

Step 3:

Companies will share their hiring process with us; accordingly, we will prepare ourselves for fruitful event.

Step 4:

On the hiring day, companies will reach campus with their team on designated day. Their requirements like seminar hall to address the students, interview rooms, internet and printing facility, hospitality will be taken care by the institute. Depending on the students to be screened, companies can extend their process to two days also.

Step 5:

After the hiring process, companies will give the list of selected candidates for further process to the institute.
